

Examinations Unit

Faculty of Management Studies and Commerce

The FMSC has established a separate Examination Unit to carry out the registration of course units, scheduling and conducting of examination and issuance of results of end semester and final examinations of the undergraduate students. This unit has established a web-based examinations system wherein each student is given a separate account which provides the respective student easy access.

Important information for new students:

1. Students lecture groups and registration number

New entrants to the faculty could obtain essential details such as the registration number, index number and the allocated lecture groups (Main group and English group) by logging in to the FMSC Examination System.

Instructions

Step 1 : Go to the web site (examfmisc.sjp.ac.lk)

Step 2 : Click on the link “Find My Information” link

2. Activate the student account on the FMSC Examination System

It is compulsory for all undergraduate students of the faculty to activate his/her account after receiving his/her index number from the faculty. If you are accessing your account for the first time, you can activate your account by accessing the website examfmisc.sjp.ac.lk where by your username and password will be your index number and registration number, respectively.

Instructions

1. Go to the web site (examfmisc.sjp.ac.lk)
2. Enter your credentials to access the system
 1. Username
 2. Password
 3. Security Text
 4. Click "Login".

The screenshot shows the FMSC Examination System login page. At the top, it displays the University of Sri Jayewardenepura logo and the Faculty of Management Studies and Commerce Examinations Unit. The page is divided into three main sections: Notice, Downloads, and System Login. The System Login section contains a form with four fields: Username, Password, and a security code field. A 'Login' button is located below the security code field. A 'Forgot Password' link is also present. Four numbered callouts (1, 2, 3, 4) point to the Username, Password, security code, and Login button fields, respectively.
