

## Notice

### Calculator Assistance - First Year 2023, FMSC-USJ

Dear Students

We understand that academic success often requires access to necessary tools and resources, and we want to ensure that every student has the opportunity to succeed. Therefore, we are collecting information from students who are in need of a calculator to support their studies.

If you are a student in need of a calculator and cannot afford one on your own, please fill out this form to provide us with some basic information. We will review your application and contact you if we are able to provide assistance.

Please note that our resources are limited and we may not be able to fulfill every request. However, we will do our best to support as many students as possible.

Thank you for your interest and cooperation.

Best regards

Student Support Centre
